

K-Love is the only positive and encouraging radio station available in my area. I work in Memphis, Tennessee and during my hour drive I listen to K-Love. I enjoy worshiping and hearing all the encouraging messages that K-Love offers my community. If K-Love were to be displaced I feel many people wouldn't hear about the love that God has for them. They may turn elsewhere for comfort and security: drugs, alcohol, sex, etc. All of these things are temporary. The message that K-Love sends is that God is always there. There are many people that suffer in this world, but K-Love offers them hope and a new look at life. A reason to live, a reason to love, a reason for joy, life!
